KING LEAVES GOOD LEGACY TO MANAGER STALLINGS

Boston, Mass., Nov. 20.—Johnny King's legacy to George Stallings, his successor in the management of the Hub National league team, is not to be despised. The "Big Chief" will find himself the possessor of several regular baseball players.

There is no more promising left-hander in either league than George Tyler, a man whom McGraw would be mighty glad to have. Otto Hess, the come back, pitched wonderful ball for the Pilgrims toward the close of last season, while High Perdue did well in front of the losing team.

The three pitchers give Stallings the nucleus of a good pitching staff. McGraw has displayed some promise, although Stallings would not keep him at Buffalo last year.

Harmon is a fine catcher, and it is a pity he cannot hit better. Hankus Gowdy, the ex-giant, has shown improvement back of the bat. Bill Sweeney is one of the great hitters of the National league, and Maranville, at short, is a remarkable fielder, but a light hitter.

DUNDEE OUTCLASSES CONLEY.

Los Angeles, Cal., Nov. 20.—Johnny Dundee, the New York featherweight, completely outclassed Frankie Conley, of Kenosha, Wis., at the Vernon arena. After using the Wisconsin lad as a human punching bag for 18 rounds, Dundee shot in a terrific left to the jaw at the beginning of the 19th that put Conley virtually out. Referee Egan stopped the bout and gave Dundee the decision.

COURT DISMISSES ABDUCTION CASE AGAINST JACK JOHNSON.

Chicago, Ill., Nov. 20.—A charge of abduction against Jack Johnson, negro pugilist, was dismissed before municipal judge Hopkins because of the prosecution's inability to prove that Lucile Cameron, the white girl, whose association with Johnson led to his arrest, had been abducted by him.
